## Your Experts for Diesel Engine Parts

You can be sure you have come to the right place to meet your needs for diesel engine parts. OE Germany focuses on "heavy" components and parts for diesel engines in the commercial vehicle and industrial engine sectors. We market our own brand "OE Germany" worldwide.

Our product portfolio comprises:

**Crankcases, Crankshafts, Cylinder heads, Conrods, Camshafts, Oil and water pumps, Cylinder liners, Oil coolers, Compressors / parts, Valve gear parts, Vibration dampers and much more.**

Our products permit you to perform very high-quality and low-budget major overhauls and repairs on current and proven engine series from the manufacturers **Mercedes-Benz, MTU, MAN, Volvo, Scania, Deutz, DAF, RVI**. We attach great importance to availability of our goods.
